This wine is a seamless expression of Napa Valley, bringing together the elegance of Oak Knoll, the depth of Yountville, and the vibrant energy of Coombsville into a beautifully balanced blend. 85% Cabernet Sauvignon forms the backbone and structure, lifted by 9% of Malbec's plush fruit, and 6% Cabernet Franc's aromatic finesse, showcasing the true DNA of Jean Hoefliger's winemaking. Aged for 12 months in French oak, it offers refined power with layers of fruit, elegance, and harmony that embody the Napa Valley style.

It is more than just a wine bottle, it's a personalized piece of art that celebrates your unique story. Whether for gifting or personal enjoyment, it promises to elevate any occasion with elegance and style.
